Expect More From Retirement

love your career with us.

With entry-level to executive opportunities in hospitality, nursing, plant management, marketing, transportation, and more, team members can learn while they earn and develop their careers.

We help pay for your education:

Through onsite training and our tuition assistance programs, team members can work on university degrees and skills training and we'll help cover the costs.

We help pay for your doctor:

Comprehensive health, dental, and vision benefits are available to full-time team members, and we pay most of the expenses.

We help pay for your savings:

Team members participate in tax advantaged savings programs and we match a portion of what you save. You put a dollar in the piggy bank and we'll put one in for you, too.

We pay for your time off:

We love to play as well as work so full-time team members receive paid time off including vacation, sick time, holidays, and flexible holidays throughout the year to use as they choose.

We help pay for your lunch:

Bring your lunchbox if you want, or enjoy access to an onsite meal program where we cover nearly all the cost.

Expect *more* from your employer.

A competitive wage is a good start when looking for a new job but you can expect more—including great benefits. Come grow with us! Find out more at: uvto.com/careers.

University Village celebrates diversity and we are proud to be an equal opportunity employer. We are committed to providing a welcoming environment regardless of race, color, ancestry, religion, sex, national origin, sexual orientation, age, citizenship, marital status, disability, gender identity or Veteran status and we encourage all to apply.
