

GLENBROOK STAFF NEWSLETTER

June 2023

STAR OF THE MONTH

Congratulations to Jordan Galvin for winning April 2023 Star of the Month. This amazing Activities Assistant has been working at Glen-Brook for more than a year now. Jordan was born in Bristol, Connecticut and moved to California recently. He is now working on getting a bachelor's degree in Spanish so he can become a Spanish teacher. In his free time, he likes to be with his husband and his two French Bull Dogs, Clarice "Precious" Jones and Mildred. He also enjoys learning languages other than Spanish. If he could travel anywhere in the world, he would go to either Spain, Paris, or Argentina to practice his multilingual abilities. We have all greatly appreciated Jordan's glowing personality and kindness toward residents.

Happy June from GlenBrook Health Center! The Health Center is still offering special referral and employment bonus' for CNA's, RN's, and LVN's! Any full-time employee hired by July 1st, 2023, is eligible for the bonus! Remember to nominate coworkers for STAR of the month on allSTARS. The winner is eligible for STAR of the Quarter and will receive \$100 in STAR points.

ACHEIVERS

Raquel Carrillo is our very talented Activities Assistant who is also an entrepreneur who owns Strongbow Creations! She specializes in making eco-friendly, non-toxic, vegan candles and other handcrafts.

STAFF SPOTLIGHT

Snezana Skrbic: Wellness Coordinator

GlenBrook Health Center recognizes Snezana Skrbic for all her hard work in Assisted Living. She was born in Detroit, MI, and her nationality is Serbian. She has worked at GlenBrook for nearly 5 years and likes how welcoming the work environment is to employees. She is very active in her church, where she spends about half of her time outside of work. If she could go anywhere in the world, she would go to Jerusalem, Israel. Snezana is a wonderful person to have in Assisted Living and we appreciate her responsibility and dedication to the Health Center.
