

# Repayable Entrance Fee

The entrance fee at The Glen at Heather Farm is largely repayable, up to 100%, and never less than 75%.

## Repayment Timeline

After residents leave Heather Farm, they (or their estate) are repaid the majority of their entrance fee. The amount repaid is determined by the length of time the resident has lived at Heather Farm (less any refurbishment costs). Please refer to Section 12.5 of the Residence and Care Agreement for detailed information.
